SOAR INTO THE SKIES

The sky's the limit. The water rocket shoots into the sky powered by air pressure. Some rockets soar high, some fall flat. The difference lies in the student's prior preparation for the competition - the hours of planning, researching and assembling pays off finally.

The sky's the limit for Mission Schools. What is there to stop or hinder Mission Schools from restoring its past glory? Not the want of dedicated teachers, nor the lack of Christian administrators. Not the unforthcoming government allocations, nor the declining number of Christians entering the teaching profession.

The Bible says, among other things that neither angels, nor principalities nor powers, nor things present nor things to come can separate us from the love of God which is in Christ Jesus our Lord (Romans 8: 38-39). If this is so, the powers of darkness over this land cannot stop God from doing a great work in our Mission Schools.

Prayer, wisdom, perseverance and God's leading will point us the way! Let the zeal of the missionary pioneers burn within us.

26TH NATIONAL SPM BIBLE KNOWLEDGE ORAL QUIZ 2022

This year was the third consecutive year of online quizzes. The Ministry of Education responded with its approval letter in January 2022. Following MOE's letter, the FCMSM wrote to every State Education Department to seek approval to carry out the quiz. In their replies, two state departments had specified that permission had to be sought from all district education offices. It was indeed a long chain of letters. However, most of the district education offices did not reply.

The Working Committee at National level worked closely with the 14 Regional Coordinators throughout the country to carry out the quizzes online. A special meeting with all the Regional Coordinators was held online on 21 May 2022. Among key issues discussed were internet accessibility, network coverage in rural areas, availability of mobile devices, co-curriculum marks and certificates of participation.

Once again, we were blessed to have programming sponsorship by Mr Peter Lim, Director of Pristine World and Mr Lam Kuan Lock of Cornerstone Corporation.

The BK 22 Online Quiz on 25 June 2022 was based on Luke Chapters 1 to 24. Participants were required to answer 50 multiple-choice questions in 40 minutes. Passing mark was set at 40%. Total number of participants who completed the Quiz with scores (Form1 to 6) was 1709. The breakdown of participants according to states is as follows:

A total of 1327 participants (77.6%) who passed the quiz received certificates which were typed and e-mailed to them by Miss Waan Wai Teng and her diligent team of teachers and university students. The

State	Number of participants
Sabah	584
Sarawak	461
Kuala Lumpur	199
Selangor	161
Penang	103
Melaka	74
Johore	18
Perak	44
Labuan	15
Negeri Sembilan	44
Pahang	4
Kedah	2
Total	1709

certificates bore the FCMSM logo and the Pristine World logo. Our request to MOE to use the MOE logo on our certificates was rejected.

The next in the series of quizzes was the SPM BK Quarterfinals Online Quiz on 23 July 2022. Students participated in teams of two. There were 126 teams. Each participant answered 50 multiple-choice questions based on the books of Luke and Acts. Their scores were added. All participants received e-certificates from FCMSM. Based on the Quarterfinals results, 10 teams of Form 5 students were shortlisted for the Semifinals. These 10 teams represented the 6 regions covered by the BK Quiz: Sabah/Labuan, Kuching, Miri/Sibu, Northern, Central, Southern.

A Trial Run for the Oral Quiz was conducted via zoom on 6 August 2022. The Semifinals and Finals via Zoom took place on 13 August 2022. Mr Chuan Teik Min was the Quizmaster. Miss Moey Yoke Lai was the chief judge. The other judges were Miss Lee Sok Yan, Ms Deborah John, Miss Karen Pang and Mrs Kua Kun Han. The 10 teams were all prepared and eager, supervised by their teachers. The guest of honour, the Honourable Deputy Minister of Education, YB Dato' Dr Mah Hang Soon was unable to be present but he had sent us a pre-recorded speech. He commended the FCMSM for continuously dedicating time and energy as well as steadfast determination to organize, plan, prepare and execute the quizzes despite the challenges brought by the pandemic.

As the Quizmaster read the questions, the visuals were shown. Contestants listened to the questions being read, looked at it on the screen and typed their answers on the chat to their respective judges. Typing on the chat was the new added feature this year as compared to the previous years' "One, Two, SHOW" on A4 paper. The judges read the answers on the chat and awarded marks. All 10 teams tried their best. The top 5 teams entered the Finals. For the final context question, contestants were required to read their answers aloud. It was exciting yet challenging.

The top 3 teams received certificates, trophies and MCKL scholarship awards. The 4th and 5th winners received certificates and trophies. The teams in 6th to 10th place received certificates and medals. 20 other teams received Achievement Medals based on their ranking in the Quarterfinals.
